

第14回

- 講演者 : **Winfried Kohnen** 氏 (Heidelberg大学)
 - 題目 : Cusp forms and estimates for Fourier coefficients
 - 日時 : 平成28年10月31日 (月) 16:30 – 17:30

We will show how cusp forms can be characterized by the growth of their Fourier coefficients. This is joint work with S. Boecherer. The talk will also address non-experts in the theory of modular forms.
